

Get on-the-go access to your health plan.

The UnitedHealthcare® app puts your plan at your fingertips.

The app has you covered.

When you're out and about, you can do everything from managing your plan to getting convenient care. Just download the app to:

- Find nearby care options in your network.
- Estimate costs.
- View and share your health plan ID card.
- See your claim details and view progress toward your deductible.

Get the app and log on with Touch ID®.

The UnitedHealthcare app is available for download for iPhone® or Android™.

Virtual Visits are not an insurance product, health care provider or a health plan. Unless otherwise required, benefits are available only when services are delivered through a Designated Virtual Network Provider. Virtual Visits are not intended to address emergency or life-threatening medical conditions and should not be used in those circumstances. Services may not be available at all times or in all locations. Certain prescriptions may not be available, and other restrictions may apply. Data rates may apply. The Designated Virtual Visit Provider's reduced rate for a virtual visit is subject to change at any time.
