

## Get the support you need.

If you are struggling with infertility, don't go it alone. **Fertility Solutions** is here to help you get high-quality guidance and care.

When you enroll in the program, you will work with an experienced fertility nurse who can provide support and encouragement throughout your journey. Your nurse will:

- Provide up-to-date information about the causes of infertility.
- Review treatment options with you to ensure you get the most out of your benefits.
- Help you find doctors, specialists and clinics that are right for you.

If you have started or are considering starting fertility treatment, let **Fertility Solutions** help you get the guidance and care best suited for you.
