

The Cancer Support Program offers caring support when you need it most.

If you or a loved one has cancer, take advantage of the **Cancer Support Program**.

Call **1-866-936-6002**, TTY **711**.

If you or a family member are preparing for, or have already started, cancer treatment enroll in the Cancer Support Program. You'll have access to an experienced oncology nurse who can navigate treatment options and find a network provider from a high-quality Centers of Excellence (COE) facility. Here's more of what you can expect:

Connect with a nurse specially trained in oncology for support throughout your treatment journey.

Have 24/7 access to a nurse who can help answer your questions about symptoms, side effects and treatment.

Get help exploring your treatment and care options.

Receive extra support in working with your care providers, so you feel informed along the way and feel confident in your health care decisions.

This program should not be used for emergency or urgent care needs. In an emergency, call 911 or go to the nearest emergency room. The information provided through this service is for informational purposes only and provided as part of your health plan. The nurse cannot diagnose problems or recommend treatment and is not a substitute for your doctor's care. Your health information is kept confidential in accordance with the law. This nurse support service is not an insurance program and may be discontinued at any time.
